3rd Higher Education Summit Harnessing an Entrepreneurial Network

18 December 2018

Silver Oak Hall, India Habitat Centre, Lodi Road, New Delhi

The entrepreneurship ecosystem has emerged as a strategic approach focusing primarily on broad-based high impact strategies and practices that are oriented towards creating meaningful kinship between entrepreneurship, sustained economic growth and improved wellbeing. It is a response to dealing with existing youth unemployment and financial crises in developed economies and is becoming a futuristic response to developing countries to coping up well with dynamics of economic change thus to moving a way forward from individual based to group/community based entrepreneurial development.

In view of the above to discuss and deliberate upon the various issues **FORE School of Management, New Delhi** in association with **Confederation of Indian Industry (CII)** organized the 3rd Higher education Summit–Harnessing Entrepreneurial Network on December 18, 2018 at Silver Oak Hall, India Habitat Centre, New Delhi.

More than 180 delegates from industry and academia participated in this conclave. FORE was the academic partner for this event.

Dr. Jitendra K. Das, Director, FORE School of Management, New Delhi addressed the gathering at the inaugural session of the 3rd Higher Education Summit.
