Entrepreneurship Development

INTRODUCTION

The success of a start up or a new venture depends on the inherent viability of the project and the way the project is planned , implemented and managed. As far as the planning, implementation and management of a new venture is concerned, it is the entrepreneur who carries out most of the functions. The Entrepreneur acts as a driving force behind the performance of these tasks. In order to carry them out efficiently, the Entrepreneur needs to have certain knowledge, skills and an appropriate profile. So entrepreneurship is a combination of skills, attitude and knowledge, difficult to teach in conventional institutional framework-but possible to develop through educational inputs.

OBJECTIVES

- Help the participants to examine their entrepreneurial attributes and innovation insight
- Enable participants to explore critical components of entrepreneurship and innovative project ideas/ opportunities
- Analyze real life successful cases and develop marketable business plan

CONTENTS

- Charms of being an Entrepreneur
- Importance of Entrepreneurial mindset
- Mapping of Entrepreneurial Competencies
- Idea Generation; Creativity and Innovation
- Opportunity Evaluation
- Developing the Business Model and Plan
- Presenting the Business Plan
- Types and sources of Venture Funding

METHODOLOGY

The FDP will be a combination of theoretical constructs with practical applications. Case studies, simulations, role-plays and games will be utilized to enhance opportunities for learning.
