Nurturing the 5th Dimension of Leadership

November 27-28, 2018

FORE Campus, New Delhi

Programme Director:
Prof. Anita Tripathy Lal

Imparting Knowledge for Exploring New Horizons

**FORE School of Management
New Delhi**

Introduction

A leader who hands down orders or tries to solve every problem single-handedly and unilaterally isn't really leading. After all, as one expert put it, solutions don't solve anything unless they 'live' in People's behavior. This means leaders must help others learn how to solve problems and workout solutions. In this age of flatter organizational structures and localized decision making, the nature of leadership has changed. Leadership is no longer wielding unilateral power. Rather it is about mobilizing people to face challenges that require new habits, new values or priorities, or new ways of doing business. Can a leader with a fierce resolve to win, strike a chord with humility. Yes it is possible with level 5 leadership - 5th dimension of leadership propounded by Jim Collins. "Good to Great transformations don't happen without level 5 leaders at the helm".
