## President's Message

Dear Corporate Colleague,

Over a period of 25 years, FORE School of Management has built a reputation for itself not only as one of the premier Business Schools in the country but also for its ability to continuously keep abreast with the changes in the business environment and equip our students to adapt to them. This continuous learning helped FSM to cater to the needs of industry even in a very difficult year, better than most other comparable Business Schools. And this ability to respond to change is what we think is the differentiator.

Our infrastructure, faculty, pedagogy and diverse student base is second to none. Admission to both the programmes, the PGDM and PGDM (International Business) is through a rigorous and competitive process, based on CAT Scores, academic achievements, industry experience and GD/PI. The current batch of 2008-2010 is a blend of diverse streams including engineering, commerce, sciences and humanities. A good number of them have put in a few years in the industry too.

Our students have made a mark wherever they have gone. They have been groomed for being effective team players, leading and becoming agents of change.

I am happy to present the current batches of FSM, both PGDM and PGDM (International Business) and welcome you to FORE School of Management. It would, indeed, be a pleasure to have your participation in this year's placement process. I can assure you that your organization will benefit immensely from what we have to offer.

Best Wishes.

## Director's Message

Dear Corporate Colleague,

It gives me immense pleasure to introduce our students who have State-of-the-Art knowledge & Value Systems to take your organisation to greater heights. We are continuously pursuing for higher level of excellence in our Curriculum, teaching methodology and overall development of our management students so that they will be able to handle challenges both during upturn and downturn cycles. Our students have performed well in the past and we are sure they will perform well in the future also. This is also reflected in the fact that Companies recruit students repeatedly.

Majority of our alumnus have reached senior positions in their respective organizations.

I welcome you to visit our Institute, interact with our faculty and students and convince yourself of the suitability for employment.

Best Wishes.

# About FORE

Foundation for Organizational Research and Education (FORE) is committed to the advancement of Management Education, Research, Training and Consultancy. Incorporated in 1981, as a non-profit institution, FORE has been working with industry and academia for developing new domains of managerial thought and education and contributing to building leaders in today's global business environment.

Located in the heart of South Delhi, FORE provides contextual learning and helps in the development of students as thinking professionals, who will have the ability to meet the future challenges of tomorrow's corporate leaders. The programmes develop multiple skills including managerial decision-making, problem-solving, analytical reasoning, communications, creativity and innovation.

FORE takes prides in its professional and high-quality faculty, modern infrastructure, technology and resources – be it in the fields of General Management, Human Resource, Finance, Operations, Marketing, Information Technology, Economics or International Business.

# Why FORE?

“We are all cups, constantly & quietly being filled. The trick is to knowing how to tip ourselves over and let the beautiful stuff out”

Ray Bradbury

CHANGE IS  
USUALLY  
FOUND ON A  
QUESTION

AT FORE, THE DIFFERENCE BETWEEN KNOWLEDGE AND WISDOM IS DEFINED AS ‘A QUESTION.’ HENCE, A CULTURE THAT PROBES, DELIBERATES, CREATES AND RE-CREATES; INCULCATING LEADERSHIP THROUGH A QUESTIONING MIND AND A DYNAMIC APPROACH TO BUSINESS CHALLENGE.

FORE School of Management empowers students to nurture their dreams, lead change, not compromise on their values, recognize a shared need, inspire commitment, recharge their grit and determination, chase a vision and monitor strategies that demonstrate a winning edge.

# Beyond the Classroom

## CHANGING THE CHANGE

CHANGE ISN'T ALWAYS EXTERNAL. FOR AN FORE GRADUATE, SOMETIMES THERE'S NO CHANGE; APART FROM THE ONE, DEEP WITHIN. TO SUPPORT GOALS, WELL ESTABLISHED.

### The Student Council

Empowerment of the students at FORE makes them stand apart as responsible managers and future leaders. For instilling this sense of responsibility and power, different student committees are formed. These committees organize a series of important, student-initiated events which gives them an opportunity to plan, work in teams, control budgets, organize time, make decisions and also interact with Corporate.

### FORE Career Division (FCD)

FCD coordinates and manages the placement activities at FORE. It aims at identifying placement needs of Corporate and matching them with the credentials of the students, through a series of planned processes, communications and activities.

### Corporate Interaction Division (CID)

CID strengthens and manages FORE's interface with

the corporate world by organizing seminars, conclaves, conferences and workshops. 'Anubhuti' a weekly forum at FORE, gives a platform to students to interact with corporate Gurus and learn from their valuable insights.

### FORE Alumni Network (FAN)

FAN forms the contact point between the institute and the valuable alumni. It strengthens the bond of the FORE fraternity through various activities and annual meets with current students.

### FORE Front – Think Tank

A team that enriches learning by conducting various inter and intra college events, debates etc. in each functional area of management.

### FORE Sports Division (FSD)

Sports and the sporting spirit is encouraged by this team through various events be it chess, football, cricket.

## FOREword

An annual publication as well as a quarterly e-newsletter that disseminates information about FORE to the corporate, alumni and students.

## FORE Nexus – The Cultural Committee

Nexus is responsible for organizing 'GENESIS' – The Annual fest of FSM and other various intra and inter B School events like debates, Management games, Case analysis competition etc.

## 'Antar' – In Service to the Community

Antar is a conscious student driven initiative and the CSR

face of FSM. In principle it believes that students need to be responsible citizens before becoming successful managers in society.

## MDP – Management Development Program

FSM has been a forerunner in design and delivery of Management Development Programs in terms of numbers, variety, reach and relevance. MDPs are designed with an appropriate blend of conceptual knowledge and experiential learning to boost performance and efficiency in organizations across all sectors. In-house company programs are customized to suit the specific needs of the organizations.

## Centers of Excellence

Six Centers of Excellence have been established at FORE in the various areas of expertise and knowledge accumulated by its faculty.

- Centre to promote research and consultancy.
- Centre for Management Development Programs to the corporate
- Centre for useful and innovative Software Development
- Centre for Psychometric Research Training and Evaluation
- Centre for Competency Mapping and Assessment
- Centre for Six Sigma Training for students and managers in collaboration with KPMG.

# Industry Interface

Placement is just one of the meeting points between FORE and the Industry. It is our endeavor to facilitate the exchange of knowledge between the students and the industry. FORE provides a platform for placement where companies are invited to recruit students of various specializations and work experience. Potential employers are able to undertake on-campus recruitment through a stream-lined process of registration, PPTs and selection. Understanding the significance of using the right aptitude and knowledge skill-sets for the right task, the Placement Team at FORE seeks to provide corporate and students the best opportunities for mutually beneficial selection.

Responsible for identifying the right student – organization fit, the Placement Team selects, targets and invites companies for Final and Summer Placements.

## The Effort

Student empowerment is a key feature of life at FORE School of Management. FORE Career Division(FCD) is an integral part of the institute, seeks to identify the best student for the opportunity provided by a prospective employer. The Placement Team identifies potential recruiters, interacts with selected companies and coordinates the visit of such corporate executives to the campus.

An effective way of creating awareness about companies among students is to provide information. The information could be in the form of company brochures, pamphlets and other published information. The Placement Office ensures distribution of published material among students.

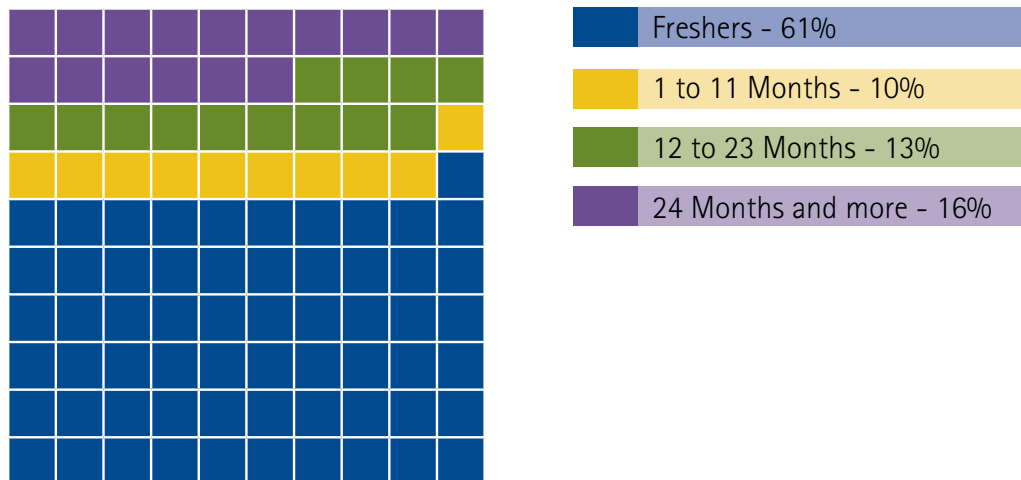

At FORE various events, guest speaker panels, conferences, workshops and academic fairs are organized in which companies participate directly or contribute through partnerships.

Projects are an integral part of the academic curriculum at FORE. Both Summer and Live Projects with organizations provide students with basic understanding of the company's operations; this ultimately enhances the adaptability of students at large.

## Final Placements

The placement process at FORE commences from October. The class of 2010 is gearing up to face the challenges and expectations of the recruitment process.

## Pre Placement Talk

Pre placement talk provides a forum for the recruiter companies and the students to interact. It has been a standard practice where in the companies can make a brief presentation about themselves (history, growth potential), opportunities and prospects ahead for the aspirants. Companies can schedule their PPT at a mutually convenient date and time commencing October.

## Summer Placement Process

Summer internship form a vital part of the two year program towards practical exposure of the students. Companies are requested to schedule their PPT and process exclusively for summer placements.

## Lateral Week

The lateral week is aimed at companies looking to recruit students with an experience of 24 months and above.
