President's Message

FORE School of Management has been moving from strength to strength since its inception in 1991. Our ability to keep abreast with the changes in the business environment and in equipping our students to quickly adapt to new challenges has brought us to the forefront among B-Schools in India.

The state of the art infrastructure facilities at FORE alongwith the well qualified faculty has made FORE a great seat of learning. CRISIL has recently rated us A*** (the highest rating level) for the Delhi-NCR Level to both the 2-year PGDM and PGDM (International Business Management) programs at FORE.

We have various Centres of Excellence to carry out very focused activities to enhance the body of knowledge and skills of students. The students have made a mark wherever they have gone and you will find in them a very productive resource.

It is with pleasure that I present to you the current batch of both the PGDM and the PGDM (International Business) students, and welcome you to the FORE School of Management's placement process.

Best Wishes

FORE IS AN INSTITUTE OF REPUTE THAT OFFERS AN IN-DEPTH KNOWLEDGE OF A WIDE SPECTRUM OF MANAGEMENT RELATED SUBJECTS, TAKING CUES FROM THE 5 ELEMENTS OF NATURE, AND USING IT FOR EFFECTIVE USE. WE HAVE WELL UTILISED THE SPIRIT OF THE NATURAL ELEMENTS OF THE SUN, THE WIND, WATER AND LIGHT IN HARNESSING THE UNLEASHED ENERGIES OF THE CREATIVE MINDS.

About FORE

Foundation for Organizational Research and Education (FORE) was established in 1981 as a non-profit, research institute. FORE School of Management (FSM) has been a premier business school since its foray into management education in 1991. Nestled in Qutub Institutional Area, the educational hub of New Delhi, FSM prides itself with churning out industry ready professionals, who have the ability to meet the future challenges of tomorrow's corporate leaders.

CRISIL has recently awarded A*** grading (the highest level

of rating) for the Delhi-NCR Level and A** grading for the National Level to both the 2-year PGDM and PGDM (International Business Management) programs at FORE.

Equipped with a state-of-the-art infrastructure, highly esteemed faculty and hands on experience based teaching methodology, FSM communicates and implements a strategic vision of business and technical knowledge in the field of General Management, Human Resource, Finance, Operations, Marketing, Information Technology, Economics and International Business.

Why FORE School of Management (FSM)

The Selection Process – FORE School of Management admits students with a proven caliber to perform. All prospective students go through a rigorous selection process which requires highly competitive CAT scores and performance at GD/PI. The students are handpicked by the experienced faculty along with a professional from the industry. This ensures that the students perform remarkably well in academics during their two year stint at FORE and later go on to achieve great success professionally. Our wide alumni base in leading positions at various companies bears testimony to the above fact.

Location – Our Institute, FORE School of Management is located in the heart of Delhi in Qutub Institutional Area. This location gives us a strategic advantage as many of the corporate offices are located in the Delhi/NCR region. This advantage translates into guest lectures and seminars where industry professionals share the stage with academicians and the result is a brilliant mix of academic enlightenment combined with the intelligence of a business mindset. Such a stimulating environment is priceless for the development of the minds of young budding managers.

Academic Programs – The programs offered at FORE School of Management are AICTE approved. They are : Post-Graduate Diploma in Business Management, Post-Graduate Diploma in Business Management (IBM) and Three year part-time Post-Graduate Diploma in Management. The academic programs at FORE are rigorous, industry relevant and provide a healthy competitive environment where the students are continuously challenged to perform to the best of their abilities. The whole program is designed to impart key decision making skills, to develop the ability to handle high

work pressure, to inculcate the habit of delivering tasks on time under tight deadlines and to do all of this as a team player. All this equips the students to take on leadership positions in the industry.

Faculty – The Faculty at FORE School of Management hail from premier educational institutions and reputed business organizations, have published numerous research papers and have spearheaded new thinking in the development of effective models in various areas of management. More than 70% of the faculty members come with 15+ years of industrial and academic experience. FORE is amongst the very few management institute to have a student faculty ratio of 8:1. This helps to ensure that optimum attention is paid to all students and make the faculty more approachable.

Recruiters – Over the years, FORE School of Management has built a reputation for itself in the industry as a premier B-School. Our long and fruitful association with our regular recruiters has helped us tide over difficult economic times without a hitch. Every year we see new recruiters coming to our campus and we take pride in declaring that our list of regular recruiters continues to grow year by year.

Alumni – Our alumni are our greatest strength. The proof of excellence of FORE School of Management is seen in its over 3000 alumni who are spear-heading best management practices in Indian and Global industries. Our alumni are actively involved in mentoring the current students at FORE whether it is through an informal chat session, a briefing session on a particular industry or even through guest lectures. The whole process shows the commitment the alumni have towards the Institute and the fresh minds of tomorrow.

Centres of Excellence at FORE

Centres of Excellence have been established at FORE in the various areas of expertise and knowledge accumulated by its faculty.

1. Centre for Psychometric Testing and Research - It aims at promoting education, research and training in this area thus developing the centre into an estimable intellectual space in psychometric testing and research.

2. Centre of Excellence in Business Analytics - It is an Interdisciplinary Centre for Advanced Data Analysis and Model development in the functional areas of Management.

3. Centre for Sustainable Development (CSD) - It initiates research in sustainable development model and actively disseminates them.

4. Centre for Entrepreneurship Development (CED) - CED, FORE aims to promote Entrepreneurship amongst the management students by creating a conducive ecosystem for the students to develop their creative ideas into brilliant business plans such that they are motivated to come up with their own start-ups.

5. Centre for Six Sigma - The Centre has a tie-up with

KPMG. In collaboration with KPMG, the Centre offers Green Belt and Black Belt training to management students and managers of various organizations.

6. Centre for Research - An initiative to further boost the Institute's presence in field of Research, the "Centre of Research" was formed under which research associates and assistants have been employed to assist and work along with the faculty in the varied functional areas of management with particular emphasis on organizational research. The Centre publishes its in-house journal ABHIGYAN and newsletter FOREPRINTS.

- **ABHIGYAN** a refereed research journal is being published for more than last twenty-seven years. It is devoted to disseminating findings from research work and exploration of original ideas concerning organizations and management. It also seeks to address issues of interest to managers and academicians equally.
- **FOREPRINTS** is a newsletter published quarterly, reflecting the happenings at FORE to the corporate, alumni, students and academicians.

CED Team

EFFICIENT, CLIMATE-FRIENDLY AND INTELLIGENT – THIS DESCRIBES THE ENERGY SUPPLY OF THE FUTURE. FORE IS A PRIMARY AGENT OF CHANGE WORKING TOWARDS DEVELOPMENT OF THIS NEW WORLD, TEACHING YOUNG LEADERS OF TOMORROW WITH MANY CREATIVE DRIVEN PROJECTS. OUR CREDO LIES IN SYNERGISING ALL THE SOURCES OF ENERGY OF THE NATURE TO CREATE AN EFFICIENT CHANNEL THAT BECOMES A TESTIMONY TO YIELD PRODUCTIVITY AND HELP IN ORGANIZATIONAL GROWTH.

International Business

Multinational operations are becoming a standard feature of most businesses. Companies maintain workforce abroad, deal with international suppliers, vendors and compete with international players even at home.

Keeping in view, this global business trend, PGDM (International Business Management) Program at FORE was launched in the year 2007 with the aim of creating opportunities for prospective students seeking careers in corporate and family business engaged in International Business operations.

The thrust of PGDM (IBM) is on learning organisational dynamics in the context of global business environment. This would help the students to focus on acquiring skills to adopt internationally benchmarked decision making tools and implementation practices

Information Technology

Incorporation of technological advances is critical for business success, particularly in knowledge based economy where we see the world moving in a new direction. Keeping the above objectives in mind, we at FORE School of Management constantly strive to incorporate latest technological developments into the curriculum. The IT curriculum has been developed by involving the brightest brains in academia and industry so that students will be productive from day one.

The curriculum of Information Technology teaches management students to understand the technical environment and impart methods to link corporate strategy to technical innovation. We have cutting edge softwares like SAS, SAP, Advanced Simulation, IBM Rational Rose etc., and students are expected to build competencies in latest developments. They are also encouraged to go an extra mile and write additional global certification examination in SAS, SAP and IBM Rational Rose.

Economics & Business Policy

An understanding of the economic environment is fundamental to the success of any business enterprise. The basic tools of micro and macro economics help an enterprise to draw up strategies and plan ahead to run the business with high growth and profitability. The courses in economics at FORE School of Management equip the students with a fair understanding of the domestic and international environment in which firms operate.

THE ENERGY MIX DAY BY DAY IS GETTING EVEN MORE DIVERSE. MAINTAINING A BALANCE BETWEEN A RELIABLE SUPPLY, CLIMATE PROTECTION TARGETS AND A SUSTAINABLE ECONOMY IS TOP PRIORITY FOR A NATION'S GROWTH. FORE ADVOCATES A BROAD ENERGY MIX AND RESPONSIBILITY AMONG ALL ITS YOUNG MINDS.

Beyond the Classroom

The Student Council

Empowerment of the students at FORE makes them stand apart as responsible managers and future leaders. For instilling this sense of responsibility and power; different student committees are formed. These committees organize a series of important, student initiated events which give them an opportunity to plan, work in teams, control budgets, organize time, make decisions and also interact with the corporate.

FORE Career Division (FCD)

FCD coordinates and manages the placement drive at FORE. The committee aims towards identifying the employee needs of the Corporate and matching them with the credentials of the students at FORE, through a series of planned processes, communications and activities.

Corporate Interaction Division (CID)

The Corporate Interaction Division (CID) is a student's initiative that is responsible for managing the interface between the students and the corporate world. The committee is responsible for arranging ANUBHUTI sessions, which are highly educative and interactive guest lectures by eminent personalities from the corporate world.

FORE Alumni Network (FAN)

The FORE Alumni Network (FAN) constantly strives to build a strong platform for the students, faculty members and the Management to network and interact with the Alumni, thereby strengthening the bond of the FORE fraternity, and promoting brand FORE in the business world environment.

Think Tank

Think Tank is the committee that is known for its grey matter

which organizes an entourage of events that have the students racking their brains to solve puzzles and apply managerial concepts and knowledge gained over all these years.

FORE Sports Division

The FORE Sports Division (FSD) organizes sports events in the college round the year and aims to help students achieve excellence by re-energizing them.

FOREWord

FOREWord is the editorial board of FORE. Its working arena revolves around a fixed domain of coming out with the annual magazine, newsletters, covering Anubhuti and various other events happening at FORE along with organizing various competitions like View-Counterview, Speak-up, Taboo, etc.

Nexus

Nexus is a cultural committee team at FORE. This committee provides a platform in the areas of art, culture, music, dramatics, quizzing and business simulation. The Cultural Committee Team Nexus annually organizes Genesis, the Annual Management Festival of FORE, a SPIC Macay programs, a Freshers' Welcome Party and Thanksgiving Night.

Antar

ANTAR is a CSR initiative taken up by the students of FORE, with a vision to be a catalyst to drive those who are socially aware, and make students responsible citizens while becoming successful managers in the society. 350.Org, Indian Youth Climate Network (IYCN), Goonj and Helpage India are some of the associated partners of Antar.

FORE Branding Cell

FORE Branding Cell is a collection of the best marketing acumen of the college working in unison towards the enhancement of the brand strength of FORE. It works on the philosophy of continuous improvement of the industry recognition of FORE with the help of the three pronged approach of iCAN (an interface between Students, Corporate and Alumni through effective networking).

FORETech

FORETech is the technical committee at FORE. It enhance the online communications among the students of FORE School of Management. It is responsible for developing, maintaining and managing FOREian.com and FORE Students Hub.

FORE Economy Forum

FORE Economy Forum aims to provide a platform where people can share, analyze and apply their valuable thoughts so

that they can become competent and capable to face this competitive world. It organizes various activities such as group discussions, presentations, sector/industry analysis, and quiz competitions.

Genesis

Genesis was initiated in 1991 and there has been no looking back since then. It has grown to be an extremely prestigious event. It is a highlight in the calendar of all the B-Schools and also a trademark event for FORE School of Management. Genesis, the Annual Management festival, brings together students from over 50 business schools all over the country to match their wits in a kaleidoscope of activities, which combine management skills with literary virtuosity. The festival infuses in the aspiring young managers, an infectious spirit of healthy competition and the freedom to creatively express them. It is also attended by the FORE School of Management students, alumni, faculty, past and present sponsors and distinguished members of the industry.

OUR ALUMNI HAVE BEEN MEETING THE CHALLENGES OF THE FUTURE WITH MORE FLEXIBILITY AND GREATER INTELLIGENCE. FORE IS DRIVING MAJOR ADVANCES IN ENTREPRENEURIAL MOBILITY AND INTREPID MANAGERS ARE CHURNED OUT EVERY YEAR.

FORE Alumni

FORE has a proud community of more than 3000 eminent professionals cutting across global and other divides. The eminent alumni base harbored at FORE has been our quintessential strength. Our Alumni have forayed into highly diverse sectors. From financial service companies such as Darashaw and Deloitte to Public Sector units such as IFFCO TOKIO, SBI, Indian Oil etc., FOREians have made a mark in all sectors. Moreover, FORE has also produced many accomplished entrepreneurs. Success is a journey, not a destination and each foreian who has passed out of FORE speaks volumes about the successful journey he/she has had so far.

Mr. Prashant Narayan

Associate Vice President
THOMAS COOK

“FORE lays emphasis on the overall development of its students with equal importance being given to academics and co-curricular activities, hence enabling the students to deliver across businesses.”

Mr. Manish Arora

Regional Head North and East India Applications
ORACLE

“FORE has played a very important role in building my career. Passing out from FORE helped me expand my mental horizon tremendously and also helped me position myself better in the market.”

Mr. Siddhant Sahai

Assistant Vice President
ERNST & YOUNG

“FORE has a well structured learning program with reasonable flexibility to choose subjects, which helped me focus on the areas I wanted to. FORE has a strong faculty – esp. in Finance and Economics – which bring practical insights and current trends/development from the industry into teaching; something that was immensely useful to me.”

Mr. Pratyakash Panwar

Assistant Vice President
HSBC Asset Management Company (HSBC)

“FORE, an intellectual goldmine has been instrumental at every step of my success. The Teaching process followed here is very application oriented and inculcates the practical aspects of Management in every student at FORE.”

Corporate Interface

At FORE, it is our endeavor to facilitate the exchange of knowledge between the students and the industry. Bridging the gap between the academics and the corporate world is something of utmost importance to us. Our long associations with some of the big names in the Corporate world give the students at FORE an advantage to have a better understanding of issues and challenges that await them in the industry. These mutually beneficial associations are nurtured and strengthened in different ways.

Placement Activities

FORE provides a platform for placements where companies are invited to recruit students of various specializations and work experience. Potential employers are able to undertake on-campus recruitment through a streamlined process of registrations, pre-placement talks (PPTs) and final selection. Understanding the significance of using the right aptitude and knowledge skill-sets for the right task, the Placement Team at FORE seeks to provide corporate and students the best opportunities and a conducive environment for selection process.

Live projects are an integral part of the academic curriculum at FORE. Both summer and live projects with organizations provide students a better understanding of the company's

operations; this ultimately enhances the adaptability of students at large.

Corporate Interaction Sessions and Events

Student empowerment is the key feature of life at FORE School of Management. Corporate interaction being a very integral part of the curriculum, a large platform is provided to the students through a whole gamut of events round the year. The students are exposed to the weekly guest lectures (Anubhuti), panel discussions, conferences, workshops with the best brains in the industry. Conclaves and Summits covering the burning issues in various disciplines of management give the students an opportunity to explore the world beyond books.

MDPs – Management Development Programs

FSM has been a forerunner in design and delivery of Management Development Programs in terms of numbers, variety, reach and relevance. MDPs are designed with an appropriate blend of conceptual knowledge and experiential learning to boost performance and efficiency in organizations across all sectors. In-house company programs are customized to suit the specific needs of the organizations. This task is accomplished by the highly qualified and experienced faculty at FORE.

FORE Corporate Speak

“ With the Cordial and fruitful interaction I had at FORE I can surely say that FORE has once again stood up to its reputation with above average quality of students and it definitely has the potential to feature in top 15 B-Schools of India. ”

Mr. Kumar L. Iyer

Senior Associate, Vice President – Human Resources, (DARASHAW)

“ It was a pleasure interacting with the students of FORE. The students not only exhibited great interpersonal skills but also were very enthusiastic, which was a delight for all of us. We greatly value our relation with FORE. ”

Ms. Pooja Mahajan

Senior Associate, Vice President – (IFCI LTD.)

“ FORE helps students in developing attitude and skills required for becoming great leaders. The reason we go to FORE is because they always successfully meet our requirements by providing management trainees with excellent team skills and leadership qualities. ”

Mr. Anurag Dhawan

General Manager, Human Resources – (UB GROUP)

“ FORE is one of the leading business schools, having goodwill and experience of producing quality student managers. A brand in its own. ”

Placements@ FORE

Final Placements

The placement process at FORE commences from November. The Class of 2010-2012 is gearing up to face the challenges and expectations of the recruitment process.

Pre-Placement Talk

Pre-Placement Talk provides a forum for the recruiters and students to interact. It has been a standard practice wherein the companies can make a brief presentation about themselves (history, growth, potential), opportunities and prospects for the aspirants.

Companies can schedule their PPTs at a mutually convenient date and time commencing from November.

Lateral Week

The Lateral Week provides an opportunity to recruiters to select students with work experience for comparatively senior positions.
