President's Message

FORE School of Management has witnessed 17 batches of graduates, who are currently occupying key positions in top organizations in India and abroad. The Institute has focused on energizing high performers to becoming future leaders. Identification of high performers start at admissions, where students with top academic credentials undergo a rigorous admission process which requires highly competitive CAT scores and performance at GD/PIs. At FORE we are able to energize these high performers by taking them through an experiential learning process that allows them to discover the energy within themselves and realize that they have the power to fulfill their dreams and be an asset to the organization they work for.

The current batch of 2009-2011 is a blend of diverse streams of engineering, commerce, sciences and humanities. Many come with work experience. Our students have had the advantage of learning from renowned faculty who come from top institutions, both in terms of education and corporate experience. The student-driven co-curricular activities fosters the development of a holistic personality, ready to work on the edge, multi-tasking, building teamwork, etc.

The central and highly metropolitan location of FORE gives us certain inherent advantages in terms of energy and exposure that our students experience.

It is my pleasure to present the 2009-2011 PGDM batch of students, from both the Business Management and International Business programs. I invite you to participate in this year's placement process, and wish you every success.

Best Wishes

R.C. Sharma
President

Director's Message

The crux of learning at FORE School of Management is that our students don't just learn to manage; they learn to lead and deliver. FORE has a holistic and all-inclusive vision for energizing high performers to become potential leaders. FORE students are known for their energetic spirit of enjoying learning and looking at each challenge as an opportunity.

Placements at FORE are student driven and is a result of teams' continuous interface with industry – be it for summer internships, live projects or for final placements. Being ranked among the top B Schools in the country, FORE's carefully tailored and continuously updated curriculum develop multiple skills amongst our students, including managerial decision making, problem solving, analytical reasoning, communications, creativity and innovation.

Business ethics and values are central to the curriculum. From the first day at the Institute, our students take an oath of being sound professionals who will take managerial decisions that contribute to the good of the organization, country and the world. In fact, FORE is a Society that is not patronized by any business house. It is governed by an Executive Board consisting of illustrious Board Members who are renowned and respected thought leaders in their respective fields.

We are confident that you will join us in our endeavors of making FORE in the league of the best management institutions in the country. We welcome you to participate in the 2010-11 placement process and experience the caliber of our students who are ready to contribute to your growth.

Best Wishes

FORE School of Management was established in 1992 as a non-profit organization and one of the country's premier Post Graduate Management Institutions, located in the heart of South Delhi. The purpose was to energize a dexterous breed of professionals, sensitive to society and its needs and determined to make a difference.

FORE's ability to energize high performing students to become potential leaders is due to a unique combination of state-of-the-art infrastructure, world-class academic inputs, dedicated faculty, hands-on-experience based teaching, be it in the fields of General Management, Human Resource, Finance, Operations, Marketing, Information Technology, Economics or International Business.

About FORE

Why FORE

FORE stands amongst the Top Business Schools in the country with a sharp focus on Management Education, Development Programs, Consulting and Research. The proof of the academic excellence of FORE School of Management is seen in its over 3000 alumni who are spear-heading best management practices in Indian and global industry. The management programs at FORE instill a high sense of values amongst students, so that they can become enlightened thinkers and leaders with high standards of character, courage, commitment and compassion.

FORE School of Management offers AICTE approved Post-Graduate Diploma in Business Management, a Post-Graduate Diploma in International Business, and a 3 year Part Time Post Graduate Diploma in Management.

Students at FORE are top performers who have come with outstanding CAT scores and impressive educational, professional and co-curricular backgrounds. Many of our students come from top graduation colleges and have the experience of working with the top organizations in the country.

FINANCE

Finance has always been one of the quintessential subjects in any B school. Accordingly, Finance curriculum at FORE has been designed to empower students with a combination of astute financial knowledge and its applications in the corporate world. Finance discipline at FORE encompass an array of courses such as Managerial Accounting, Corporate Finance, Banking & Financial Services, Wealth Management, Mergers & Acquisitions etc. Needless to mention, recent global events re-emphasize the importance of finance professionals with management acumen. In today's financial climate both corporations and government are expected to carry out adequate financial due diligence than ever before. This has created a massive demand for talented finance executives. FORE boasts of the mix blend of finance faculty who mentor students to apply academic and functional knowledge of finance in the real life business situation. The knowledge imparting process is supplemented through industry-institute-initiative at FORE, under which industry experts are regularly invited to share their experiences with students.

BEYOND THE classroom

The Student Council

Empowerment of the students at FORE makes them stand apart as responsible managers and future leaders. For instilling this sense of responsibility and power; different student committees are formed. These committees organize a series of important, student initiated events which gives them an opportunity to plan, work in teams, control budgets, organize time, make decisions and also interact with the corporate.

FORE Career Division (FCD)

FCD coordinates and manages the placement drive at FORE. The committee aims towards identifying the employee needs of the Corporate and matching them with the credentials of the students at FORE, through a series of planned processes, communications and activities.

Corporate Interaction Division (CID)

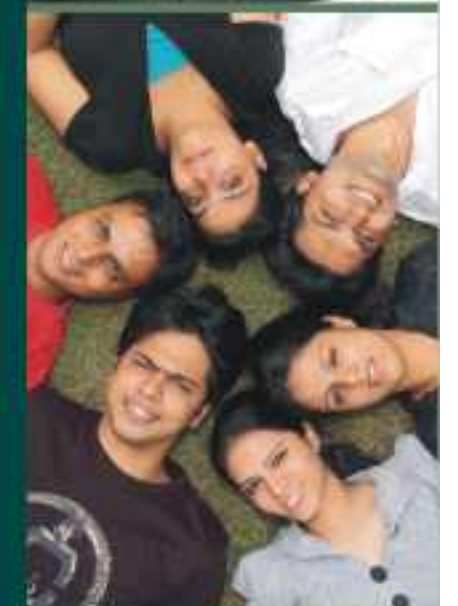

The Corporate Interaction Division (CID) is a student's initiative that is responsible for managing the interface between the students and the corporate world. The committee is responsible for arranging ANUBHUTI sessions, which are highly educative and interactive guest lectures by eminent personalities from the corporate world.

FORE Alumni Network (FAN)

The FORE Alumni Network (FAN) constantly strives to build a strong platform for the students, faculty members and the Management to network and interact with the Alumni, thereby strengthening the bond of the FORE fraternity, and promoting brand FORE in the business world environment.

Think Tank

Think Tank is the committee that is known for its grey matter, and rightly so, organizes an entourage of events that have the students racking their brains to solve puzzles and apply managerial concepts and knowledge so gained over all these years.

Antar

ANTAR is a CSR initiative taken up by the students of FORE, with a vision to be a catalyst to drive those who are socially aware, and make students responsible citizens while becoming successful managers in the society. 350.Org, Indian Youth Climate Network (IYCN), Goonj and Helpage India are some of the associated partners of Antar.

FORE Branding Cell

FORE Branding Cell is a collection of the best marketing acumen of the college working in unison towards the enhancement of the brand strength of FORE. It works on the philosophy of continuous improvement of the industry recognition of FORE with the help of the three pronged approach of iCAN (an interface between students, corporate and Alumni through effective networking).

FORETech

FOREtech is the technical committee at FORE. FOREtech helps enhance online communications among the students of FORE School of Management. It is responsible for developing, maintaining and managing FOREian.com, FORE Students' Hub.

FORE Economy Forum

FORE Economy Forum aims to provide a platform where people can share, analyze and apply their valuable thoughts so that they can become competent and capable to face this competitive world. It organizes various activities such as group discussions, presentations, sector/industry analysis, and quiz competitions.

Corporate Entrepreneur Division

CED aims to provide a platform to the students at FORE, to break free from the corporate chains suppressing their entrepreneurial energy, and allowing them to write their own destiny. It is building an ecosystem comprising of mentors and investors who will evaluate every single business summary and thereby mentoring and investing in the most deserving.

FSD

The FORE Sports Division (FSD) organizes sports events in the college round the year and aims to help students achieve excellence by re-energizing them.

FOREWord

FOREWord is the editorial board of FORE. Its working arena revolves around a fixed domain of coming out with the annual magazine, newsletters, covering Anubhuti and various other events happening at FORE along with organizing various competitions like View-Counterinterview, Speak-up, Taboo, etc.

Nexus

Nexus provides a platform to unleash one's potential in the area of art, culture, music, dramatics, quizzing and business simulation. The Cultural Committee Team Nexus annually organizes Genesis, the Annual Management Festival of FORE, a Fresher's Welcome Party and a Thanks giving Night.

ALUMNI

FORE has a proud community of more than 3000 eminent professionals cutting across global and other divides. The eminent alumni base harbored at FORE has been our quintessential strength. Our Alumni have forayed into highly diverse sectors. From financial service companies such as Darashaw and Deloitte to Public Sector units such as IFFCO TOKIO, SBI, Indian Oil etc foreians have made a mark in all. Moreover, FORE has also produced many accomplished entrepreneurs. Success is a journey, not a destination and each foreian who has passed out of FORE speaks volumes about the successful journey he has had so far.

Distinguished Alumni

Alumni

Mr. Prashant Narayan
Associate Vice President
THOMAS COOK

“FORE lays emphasis on the overall development of its students with equal importance being given to academics and co-curricular activities, hence enabling the students to deliver across businesses.”

“FORE has played a very important role in building my career. Passing out from FORE helped me expand my mental horizon tremendously and also helped me position myself better in the market.”

Mr. Manish Arora
Regional Head North and East India Applications
ORACLE

“FORE has a well structured learning program with reasonable flexibility to choose subjects, which helped me focus on the areas I wanted to. FORE has a strong external faculty – esp. in Finance and Economics - which bring practical insights and current trends / development from the industry into teaching; something that was immensely useful to me.”

Mr. Siddhant Sahai
Assistant Vice President
Ernst and Young

“FORE, an intellectual goldmine has been instrumental at every step of my success. The Teaching process followed here is very application oriented and inculcates the practical aspects of Management in every student at FORE.”

Mr. Pratyaksh Panwar
Assistant Vice President HSBC
Asset Management
Company (HSBC)

CORPORATE INTERFACE

At FORE, it is our endeavor to facilitate the exchange of knowledge between the students and the industry. Bridging the gap between the academics and the corporate world is something of utmost importance to us. Our long associations with some of the big names in the Corporate world give the students at FORE an advantage to have a better understanding of issues and challenges that await them in the industry. These mutually beneficial associations are nurtured and strengthened in different ways.

Placement Activities

FORE provides a platform for placements where companies are invited to recruit students of various specializations and work experience. Potential employers are able to undertake on-campus recruitment through a streamlined process of registrations, Pre-Placement talks (PPTs) and selection. Understanding the significance of using the right aptitude and knowledge skill-sets for the right task, the Placement Team at FORE seeks to provide corporate and students the best opportunities and a conducive environment for selection process.

Live projects are an integral part of the academic curriculum at FORE. Both Summer and Live projects with organizations provide students understanding of the company's operations; this ultimately enhances the adaptability of students at large.

Corporate Interaction Sessions and Events

Student empowerment is the key feature of life at FORE School of Management. Corporate interaction being a very integral part of the curriculum, a large platform is provided to the students through a whole gamut of events round the year. The students are exposed to the weekly guest lectures (Anubhuti), panel discussions, conferences, workshops with the best brains in the industry. Conclaves and Summits covering the burning issues in various disciplines of management give the students an opportunity to explore the world outside books.

MDPs - Management Development Programs

FSM has been a forerunner in design and delivery of Management Development Programs in terms of numbers, variety, reach and relevance. MDPs are designed with an appropriate blend of conceptual knowledge and experiential learning to boost performance and efficiency in organizations across all sectors. In-house company programs are customized to suit the specific needs of the organizations. This task is accomplished by the highly qualified and experienced faculty at FORE.

Corporate speak

Mr. Kumar L. Iyer
Senior Associate
Vice President
Human Resources
(DARASHAW)

“With the Cordial and fruitful interaction I had at FORE I can surely say that FORE has once again stood up to its reputation with above average quality of students and it definitely has the potential to feature in top 15 B-Schools of India.”

“It was a pleasure interacting with the students of FORE. The students not only exhibited great interpersonal skills but also were very enthusiastic, which was a delight for all of us. We greatly value our relation with FORE.”

Ms. Pooja Mahajan
Senior Associate
Vice President
(IFCI LTD)

Mr. Anurag Dhawan
General Manager
Human Resources
(UB GROUP)

“FORE helps students in developing attitude and skills required for becoming great leaders. The reason we go to FORE is because they always successfully meet our requirements by providing management trainees with excellent team skills and leadership qualities.”

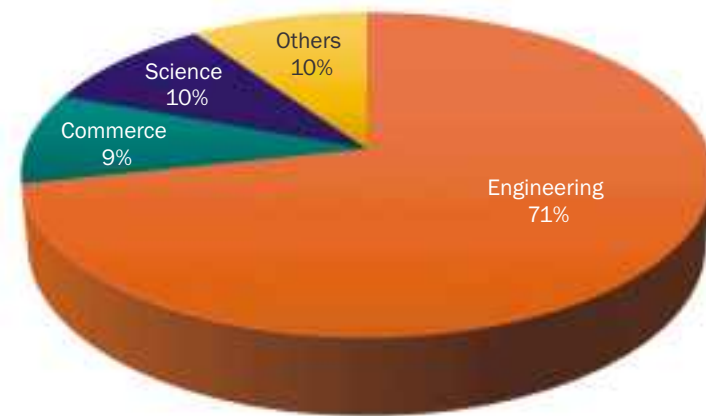

“FORE is one of the leading business schools, having goodwill and experience of producing quality student managers. A brand in its own.”

Mr. Ritesh Gupta
General Manager
Human Resources

Placements at FORE

Final Placements

The placement process at FORE commences from October. The class of 2010 is gearing up to face the challenges and expectations of the recruitment process.

Pre Placement Talk

Pre Placement talk provides a forum for the recruiter companies and students to interact. It has been a standard practice where in the companies can make a brief presentation about themselves (history, growth, potential), opportunities and prospects head for the aspirants.

Companies can schedule their PPT at a mutually convenient date and time commencing October.

Summer Placements Process

Summer Internship form a vital part of the two year program towards practical exposure of the students. Companies are required to schedule their PPT and process exclusively for summer placements.

Lateral Week

The lateral week is aimed at companies looking to recruit students with relevant work experience.

Placement Team

Prof. Freda J Swaminathan : Chairperson
Dr. D.K. Batra
Dr. Hitesh Arora
Prof. Kanhaiya Singh
Prof. Neeraj Kumar
Prof. Vinay Dutta

Placement Calendar

Placement Season	: October onwards
Pre Placement Talk	: October onwards
Lateral Week	: January 3, 2011 onwards
Placement Week	: January 10-14, 2011
Summer Placement Process	: October Onwards
