President's Message

'A calm sea never makes a master sailor.' This saying has found a new context in today's business environment. Global market is an open arena and the business scenario today presents multiple opportunities. This understanding of the dynamic needs of the Business Manager has driven FORE in its endeavor to impart requisite education for leaders of tomorrow.

Experiential learning is imparted through innovative tools by the Institute's renowned faculty coupled with industry experience. Since its inception, FORE has been scaling new heights with the help of eminent faculty members and well positioned alumni in its vibrant campus located in the heart of New Delhi. The Institution has surely become a recruiter's dream. FORE also distinguishes itself from other business schools by facilitating students to have continuous corporate interaction through live projects and research activities. The international tie-ups of the Institute also give the students a truly distinctive global edge.

The 2011-13 PGDM Batch of students from both the Business Management and International Business Management program, are ready for taking Summer Internship Program.

I welcome you to FORE and feel privileged to invite you for the Summer Internship Program process this year.

Best Wishes

R. C. Sharma
President

Director's Message

Knowledge and continuous learning is the mainstay amongst the business organizations of the present day. In tune with this requirement, we at FORE have designed programs that equip the future managers with context relevant learning and competencies that set them apart. A unique feature at FORE is our emphasis on imparting value based education alongwith personal, spiritual and social development. This propels the young creative minds to be competent in the challenging times.

Placement at FORE is student driven and the Summer Internship Program (SIP) is an important aspect of the students' tenure in the Institute. We firmly believe that the Summer Internship Program at FORE is a great mechanism for the students to engage and evaluate interesting industry segments.

We are happy to present the 2011-13 batch of FORE for Summer Internship. They are highly talented and their diverse educational backdrop will give you varied options as you seek bright young people to contribute to your organization.

We are confident that you will join us in our endeavors of making FORE in the league of the best management institutions in the country.

Look forward to welcoming you at the Institute.

Best Wishes

A handwritten signature in blue ink that reads "Jitendra K. Das". The signature is written in a cursive style and is underlined.

Dr. Jitendra K. Das
Director

Purpose of Summer Internship Program

Summer Internship Program (SIP) is an integral part of the course curriculum for the students of PGDM and PGDM (International Business Management) at FORE. SIP is a full time engagement of students with a corporate establishment for a period of 8-10 weeks in the months of April-May-June every year.

It enables the companies to outsource their short term projects and other research activities to the young, knowledgeable and motivated minds fresh from Business Schools. These enthused students provide quality work at nominal cost to the companies.

During SIP, companies get an opportunity to observe the students at close quarters and spot talent early. This way they do not get to compete with the other organizations to hand pick the creative minds with the fire in their belly.

In other words, Summer Internship Program (SIP) also provides a mentoring platform to the corporate where they get to train the future managers.

Hence, SIP is a great mechanism for the students to engage and evaluate interesting industry segments and engineering their resources to make a pitch for a pre-placement offer (PPO).

SIP@FORE

The process of SIP comprises of the following stages:

- The company conducts a Pre-Placement Talk from November onwards.
- Registrations are facilitated from interested students based on the company's requirements.
- The registrations are then shared with the company alongwith the resumes.
- The company conducts Group Discussion/Interview either on-campus or off-campus.
- Offers are made to the students on the basis of their performance in the Group Discussion/Interview through the Institute.

The SIP usually starts in the 1st week of April and ends by the 2nd week of June with duration of 8-10 weeks.

After the completion of the Summer Internship the students are required to submit the Internship report to the Institute alongwith the company feedback. Thereafter, the students are evaluated based on the presentations of their Summer Internship projects.

Placement Committee

Prof. Anita Tripathy Lal: Chairperson

Prof. Freda J. Swaminathan

Prof. Mathew Joseph
