

A Blood Donation Camp was organized by FORE Sports and Cultural Division in collaboration

with Rotary International. It was conducted on 9th December 2010 from 11am to 4pm at Pragya Hall, FORE School of Management. A team of 10 people, members of Rotary International, headed by their manager Mrs. Sonu Singh, helped in the organization of the event.

All the members of FORE Sports and Cultural Division worked very hard to make this event a success. The event attracted a lot of enthusiastic participants. 58 people contributed towards this noble cause and apart from this, 38 people who wished to do the same, could not as they could not meet the basic health requirements.

We are thankful to the management of FORE School of Management. Without their help and cooperation this event could not have been successful.
