From Left to Right Prof. Hitesh Arora, Mr. Mochammad Rizki Safary, Dr. B.B.L Madhukar and Dr. Jitendra K. Das

This edited book is an outcome of the Faculty Development Programme held earlier in September 2018 in Bali, Indonesia in collaboration with Economics and Business University and Udayana University, Bali, Indonesia. A wider perspective of Indonesia from finance, business, trade, market, culture to corporate social responsibility have been covered in the book.

In depth, research work and facts about performance of public offerings, determinants of cash holding, Bali FinTech agenda, equity stock indices, gender equality, decreasing child sex ratio, opportunities and challenges in retail industry, ICT in healthcare, innovative ecosystem and CSR in automotive sector reflects in the different chapters dedicated in the book.

On this occasion, H.E. Mr. Mochammad Rizki Safary praise the contributors of the book and mentioned that all the perspectives in this book are well selected that provides a clearer pictures of Indonesia's condition. He also mentioned that this book provides a picture on how Indonesia's economic grow impressively through ups and downs for at least during the last decade.
