SIG-IP organized its flagship seminar **FIN-X 5.0** in the AY 2024–25.

TOPIC: Finance for the Future: Jobs, Trends & Skills

FIN-X took place on February 21, 2025 and featured an insightful session by Mr. Rohit Dogra, CFA, FRM, Consultant to the CFA Institute and Advisor at Travel

India Pvt. Ltd. Mr. Dogra delivered an engaging talk on “Careers in Finance: Jobs, Trends & Skills.” Sharing his inspiring professional journey from early challenges, including a rescinded job offer post-9/11, to impactful roles at Fidelity, HSBC Bank, and Travel India Pvt. Ltd. He provided valuable insights on evolving opportunities in finance, essential skills for success, and the need to stay adaptable in a dynamic industry.

Mr. Dogra also encouraged students to look beyond conventional roles like investment banking and explore different fields such as Alternative Investments & Private Equity. He emphasized the value of professional certifications like CAIA, alongside CFA & FRM, in building a strong foundation for global careers. His insights highlighted how continuous learning, discipline, & an open mindset can shape long-term success in finance.

The seminar offered a perfect blend of industry knowledge and practical wisdom, making it highly interactive and informative.
