

SIG UNSTOP IGNITERS organized 7 activities and events in the AY 2025-26.

The activities are as cited below:

1. TATA Imagination Challenge 2025

As part of the Tata Imagination Challenge, SIG Unstop Igniters organized a "Doodle on Me" activity where committee members wore white T-shirts as canvases for students to express their creativity. The interactive initiative encouraged participation, sparked conversations, and successfully created awareness about the competition at the Gurugram campus. The event was attended by 60 students.

2. Case Competition Kickstart Series - Mr. Rahul Airi

SIG Unstop Igniters launched the **Case Competition Kickstarter Series** with an insightful session on **19th July**, introducing students to the fundamentals of approaching case competitions. The seminar covered structured problem-solving techniques, effective case analysis, and practical strategies to help students begin their case competition journey with confidence. The event was attended by 60 students.

Speaker: Rahul Airi – Research Specialist, Gartner

3. Case Competition Kickstart Series - Mr. Ayonjan Saha

An insightful session on leveraging the **Unstop platform** to maximize success in case competitions. Students gained practical insights into identifying the right opportunities, understanding evaluation criteria, building winning strategies, and making the most of Unstop's features throughout their competition journey. The event was attended by 60 students.

Speaker: Ayonjan Saha – Program Manager, Unstop

4. Case Competition Kickstart Series - Mr. Rishabh Bharadwaj & Ms. Hritika

An interactive peer-learning session where **Mr. Rishabh Bharadwaj** and **Ms. Hritika** shared their journey of winning multiple case competitions. They spoke about their preparation strategies, key learnings, challenges faced, and practical tips to help fellow students approach competitions with confidence. The event was attended by 60 students.

Speakers: Mr. Rishabh Bharadwaj & Ms. Hritika – PGDM Students, FORE School of Management

5. Case Competition Kickstart Series - Mr. Dhananjay Sharma

An engaging session exploring how the structured thinking and problem-solving skills developed through case competitions translate into solving real-world business challenges in the corporate environment. The event was attended by 60 students.

Speaker: Mr. Dhananjay Sharma – Strategy Manager, Somany Impressa Group | IIM Alumnus

6. Case Competition Kickstart Series - Mr. Aviral Mehta

An insightful session where **Mr. Aviral Mehta** shared his experiences mentoring over **200+ students**, offering practical guidance on approaching case competitions, building winning strategies, and leveraging competitions for long-term career growth. The event was attended by 120 students.

Speaker: Mr. Aviral Mehta – Squad Lead, Welocalize | ISB Alumnus | Unstop Mentor

7. GENESIS "People in Chaos" — HR Case Competition

People in Chaos was the flagship inter-college HR case competition organized by SIG Unstop Igniters in collaboration with SIG HR as part of Genesis 2025. The competition was conducted in three rounds, with the first two rounds hosted on the Unstop platform and the finale held on campus. The event featured Mr. Shachindra Pathak, DGM HR at Amrit Cement Ltd. (24+ years of industry experience) as the industry expert and attracted 150+ participants from 8 leading institutions, creating a diverse and competitive platform for aspiring management students.

Judges:
