

## Ouriginal (formerly URKUND) - (An Anti-Plagiarism online tool)

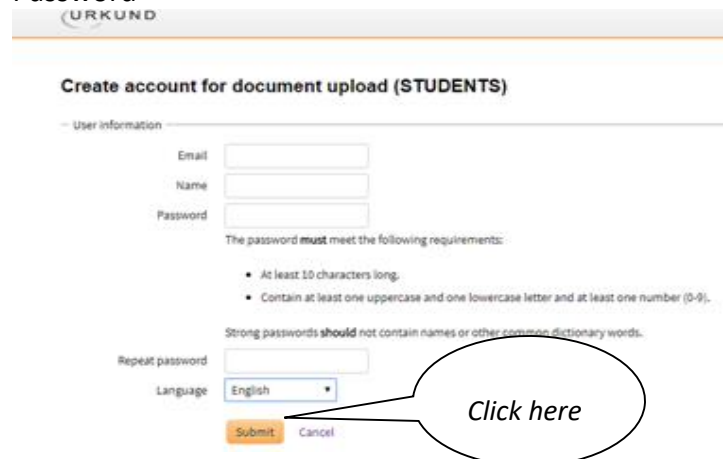

### User's Guide to Students

Please follow the steps for registration by clicking here <https://secure.urkund.com/account/en-US/auth/login>

#### 1. Click on "Students" Button

#### 2. Enter your Email ID (i.e., ....@fsm.ac.in), Name and Password

3. Open your email and click on the verification link received from "Ouriginal-Urkund" to activate your account.
4. Now login to Ouriginal-Urkund by using your User ID and PW;
5. Fill the Ouriginal-Urkund Analysis Address of the Faculty (note from below table) to whom you want to submit your assignment (SIP or other document file/s);
6. Now you can upload by clicking at top right "Upload" button and Submit your assignment;
7. The document/s and analysis report will be delivered to the faculty.

### Urkund Analysis Address

| Name of Professor              | Urkund Analysis Address                                                                                              | Name of Professor             | Urkund Analysis Address                                                                                      |
